

This has been a particularly quiet week at St Cuthbert Mayne - no really it has. As our Year 6 children set about completing their SATs other members of the school community have been tiptoeing around the school so as not to disturb them. Our Year 6 children have worked extremely hard to get to this point. While many might argue with the merits of SATs, there is certainly benefit in the children getting a taste of what the rigours of secondary school might be like and even the public exams that they'll need to prepare for in a few years' time. Whatever the outcome, we are incredibly proud of our Year 6 children this week and commend them for their efforts.

It was a joy to see so many children from St Cuthbert Mayne on the High Street this Sunday either representing the school or other groups such as Brownies, Cubs, Scouts or even playing instruments in the band. Lots of you clearly seized the opportunity to clap eyes on the Duke and Duchess of Edinburgh as they visited Cranleigh, with many children managing to have a brief conversation with the royals.

This week we were very sorry to have to bid a fond farewell to Mrs Southwell who leaves us to become a Speech and Language Therapy Assistant before beginning her training as a Speech and Language Therapist. Mrs Southwell has been connected with the school for 13 years, initially as a parent before becoming a TA and latterly running speech and language interventions. We know the impact that her work has had on so many children at St Cuthbert Mayne, and we wish her every success in the next stage of her career.

I hope you all enjoy a peaceful weekend in readiness for a rare 5-day week!

God bless,
Thomas Hall
Head of School

COLLECTIVE WORSHIP

For the second week in a row Jesus talks about leading the way. This time he is quizzed by the disciples about how to find the way to His Father's house. He tells them that He is "the way, the truth and the life". In our collective worship we considered what it is to follow in Jesus' footsteps and how we can see God in the actions of those around us and how others might see God through our actions.

We pray, Christ Jesus, open our hearts to trust in you, so that we may never be afraid to answer your call to love one another, and so that through you we may come closer to God. Amen.

HELP FOR PARENTS

Bringing up children is a lot of fun but can also have its challenges. There are times when receiving some advice can be helpful. A SPECIAL VISIT FROM CEDAR COURT

On Wednesday 3 May St David's class had a visit from some of the residents and carers from Cedar Court. This was a special visit to celebrate the coronation and present the children with crowns made by the kind residents of Cedar Court. The children really enjoyed meeting our guests and shared with them what they knew about the coronation and King Charles. We looked at pictures of people celebrating the coronation of Queen Elizabeth in 1953 and talked a little about how life was different then. Thank you very much to all the residents and staff at Cedar Court and we hope you will come and visit us again!

YEAR 3 DESIGN AND TECHNOLOGY.

In Design and Technology, Year 3 have been learning about the impact of the digital revolution in the world of product design. Since the 1980s, as scientific discoveries come about, technology has continued to develop, becoming more advanced and making everyday tasks easier.

In particular, the children have looked at how technology is being used to keep cyclists safe. As part of their learning, they have been able to write a program to initiate a flashing LED panel after a button press. In the photographs, you can see how their programmable electronic device (a Micro:bit) was able to show their flashing light sequence. The children really enjoyed the challenge and are becoming experts in coding!

It has been an absolute joy to start the school day by praying the Rosary together in the playground. Thank you to all of the children who have joined us in prayer over the last two weeks.

Please join us next week on Tuesday, Thursday and Friday at 8:40am, when the gates open, to prayer the Rosary before the start of the school day.

We pray the Rosary using beads to count how many prayers have been said. These can be collected from the prayer table each morning or your child is welcome to bring their own Rosary beads from home should they wish.

To find out more about how you can pray the Rosary at home, please visit the Cafod website:

This exhibition gives them the opportunity to showcase their work to the local and wider community.

PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, please ensure that you have contacted us before 9am on each day of absence in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

LATENESS

Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is paramount, therefore, that all pupils arrive at school on time.

When a pupil is late for school they should enter the building via the front office so that they can be recorded as being present.

Registers open at 9am and are taken promptly. Children will be recorded as being late if they arrive after 9am but before 9.15am when the registers close.

Any child arriving after 9.15 am, without a valid explanation, will be recorded as late after close of register (U code) and this denotes an unauthorised absence.

Persistent lateness will be monitored and letters sent to parent to inform them of learning time lost. If lateness remains a problem and this lateness is after close of register a referral will be made to the Inclusion Officer.

SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

Reception: please drop your children with the teacher at the gate to the EYFS playground.

Year 1: either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

Year 2 and above: please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>
