

Last Sunday was a great day of celebration for a number of families whose children made their First Holy Communion. They have spent the last year learning about the significance of the Eucharist, why we go to confession and developed their understanding of the Mass. Congratulations to all these families.

Thank you to all those parents and staff who tolerated the stifling temperatures in Cranleigh Leisure Centre on Sunday. Miss Wilkin was almost a little embarrassed to return with quite so much silverware as St Cuthbert Mayne defended the trophy that we won last year! Congratulations to all the swimmers who took part - this is a great reward for all your hard work and training - we are clearly the school to beat in the pool!

Thank you to those parents who have volunteered to be School Governors. As you know we have more candidates than places on the Local Governing Committee, so please refer to the letter sent on 13 June. You have until 9am on Tuesday, 27 June to cast your vote.

Next Monday is an important day for some of our Year 6 children as they head to St Peter's for their Induction Day. I am sure that this will be an enjoyable day for them - a few butterflies are certainly to be expected, but they will certainly help them to feel less nervous when they board the bus in September.

As the hot weather continues to dominate the forecast, please do continue to ensure that you apply sun cream to your child before sending them into school. Named hats are also a must in these conditions.

God bless,
Thomas Hall
Head of School

COLLECTIVE WORSHIP

Very fittingly last Sunday's First Holy Communion Mass coincided with the Feast of Corpus Christi. During our Collective Worship this week we thought about the different types of bread that we enjoy from different parts of the world and how bread sustains us. Jesus said: "I am the living bread that came down from heaven. If anyone eats this bread, he will live for ever." Jesus is truly present in our school and nourishes us in a different way throughout our lives.

Christ Jesus, Bread of Life, feed us with your love and wisdom and move us to help one another, so that all people may have enough to eat. Amen.

PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

If your child is in EYFS (Reception Class) please click here:

ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, please ensure that you have contacted us before 9am on each day of absence in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

LATENESS

Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is paramount, therefore, that all pupils arrive at school on time.

When a pupil is late for school they should enter the building via the front office so that they can be recorded as being present.

Registers open at 9am and are taken promptly. Children will be recorded as being late if they arrive after 9am but before 9.15am when the registers close.

Any child arriving after 9.15 am, without a valid explanation, will be recorded as late after close of register (U code) and this denotes an unauthorised absence.

Persistent lateness will be monitored and letters sent to parent to inform them of learning time lost. If lateness remains a problem and this lateness is after close of register a referral will be made to the Inclusion Officer.

SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

Reception: please drop your children with the teacher at the gate to the EYFS playground.

Year 1: either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

Year 2 and above: please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>
