

The week began with a number of our Year 6 children generating some interest and enthusiasm for the sponsored challenge by clambering onto an exercise bike. This Friends initiative is a way of getting the whole school community moving - children, parents, carers, staff are all eligible to participate by running, cycling, walking or maybe even swimming a certain distance. We are hoping that our cumulative total distance will stretch from St Cuthbert Mayne to Paris. What better reason to get on the sofa and get active over half term.

Regular readers will no doubt be aware that we are reaping the benefits of the Read Write Inc Phonics scheme. However a recent stock take shows that a number of the Book Bag Books haven't made it back onto our shelves here at school. As such, it's time for an amnesty - please turn furniture upside down and have a real hunt for any RWI books that might be lurking at home and return them to school as we won't have enough in some sets to be able to give books to all the children in some groups. Please see Miss Wilkin's plea in this newsletter.

One of the highlights of my week was when a group of Year 4 children were sent to my office in order to read me the poetry that they had been writing in class that morning; there was some wonderful use of figurative language and poetic devices in evidence - keep up the good work!

The next Parent Forum will be on Friday, 3 March at 9am. Please send any questions to the school office in by the end of Wednesday, 1 March.

There are lots of things that your children can be doing over half term - preparing for the science fair, creating coronation bunting, reading (of course) and clocking up the miles for the Friends' Cranleigh to Paris challenge. It is absolutely key that your children also get a chance to rest and recover in readiness for all the fantastic learning that they'll be doing in week's time. I hope you all have a wonderful time with your children over the next week.

God bless  
Thomas Hall  
Head of School

### COLLECTIVE WORSHIP

Light is so often talked about in our liturgies at school—we light the Christ candle to remind us that Jesus is present in our school always. This week we hear how Jesus described **us** as ‘like a light for the whole world’. We are reminded that we all have gifts and talents which we mustn’t hide under a bowl or bushel, instead we must put them on a lampstand for all to see. We are lucky that so many of our children are shining examples to one another.

*God of joy, may we share your light with all our sisters and brothers around the world, so that as members of one global family we can work together to build a brighter, fairer future for all people. Amen.*

### RWI BOOK AMNESTY

As a school, we have heavily invested in the Book Bag Books which relate to the Read, Write, Inc phonics scheme that we teach. It is important that every child in a group can read the same book at home so that we can ask the children comprehension questions about what they have read. Unfortunately, a high number of books have not been returned or been returned to us damaged. We understand that accidents do happen, and sometimes books are lost, but we need to replace each damaged or lost book.

Please could you look for any Book Bag Books at home over half term and return them. The Book Bag Books are changed every Friday. Going forward, if a book has not been returned by the following Tuesday, a charge of £6.00 will be added to your SCOPAY account to cover the time, cost and postage of ordering a replacement book.

### SCHOOL TABLES AND CHAIRS

We have various tables and chairs going surplus. If you would like to have any, please contact the school office. A small donation would be very much appreciated.

**UPDATE: TABLES ALL GONE—SOME CHAIRS REMAINING**

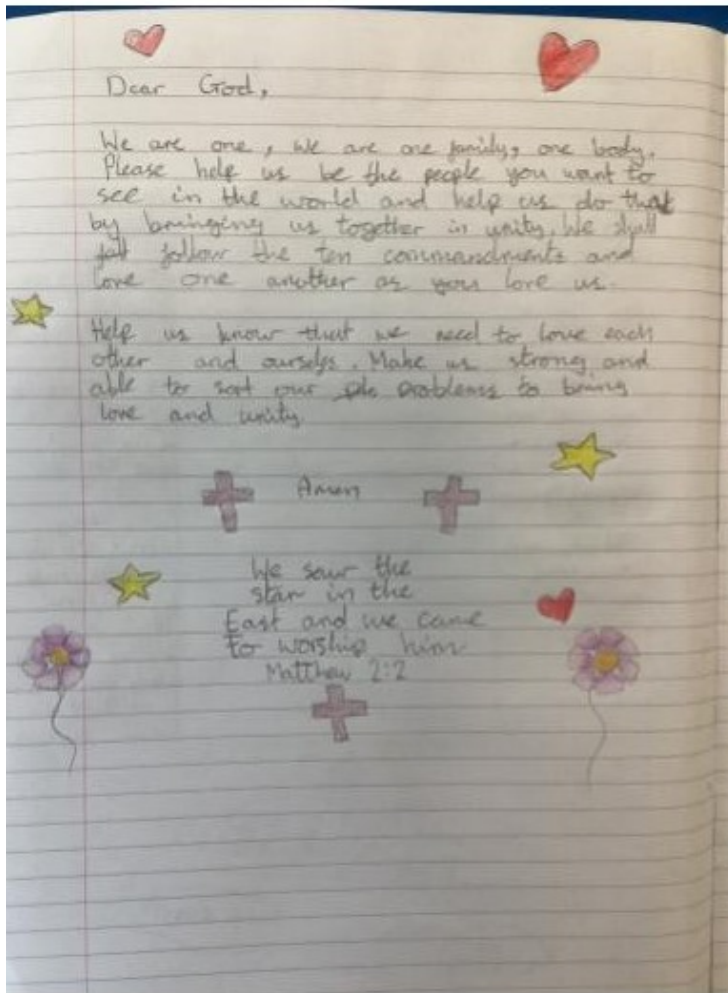

## YEAR 5 - WE ARE SCIENTISTS

In Science, this week, Year 3 worked practically to answer the question, "Why do you think humans and other animals have skeletons?" First of all, we built structures to protect a tomato from being hit by a heavy object. We learnt how our skeleton is important because it protects our vital organs. Next, we tried to build a tower, which had to be at least 30 cm tall and would support a tomato. We learnt how our skeleton provides support and stability.

## YEAR 5 RE

The Year 5 children have written some beautiful prayers this week linked to their RE topic on Christian Unity. They all thought hard about what they felt was most important to pray for and selected their words carefully. We would have loved to have included all of them in this week's Newsletter for you to enjoy reading but of course this would not be possible. For now, please enjoy a couple of lovely examples.

## SCIENCE FAIR

This term, St. Cuthbert Mayne will be holding a Science Fair. We would love your child to take part. To enter your child must carry out a scientific investigation and the produce a presentation based on what they've done. They must include; their scientific question (e.g. which material conducts electricity the best?) a write up of what they did, plus graphs and tables to support their findings. The layout should be as below (or similar):

The children can also produce handouts or extras to go with their entry if they wish. If your child would like to enter but is not sure what to do please see some suggested questions that they could investigate below:

### Animals including humans

How does the length of time we exercise for affect our heart rate?  
How does age affect a human's reaction time?

### Plants

How does a seed change as it germinates?  
Do some seeds grow more quickly than others?

### Forces

How does the size of a parachute affect the time it takes to fall to the ground?  
How do rockets work?

### Earth and Space

What would humans have to do to be able to survive on Mars?  
How does being in space for a long time effect the human body?

### Materials

Which material will make the best black-out blinds/curtains?  
Which are the best kitchen towels for mopping up spills?

### Light

How do shadows change over a day?  
Your child could decide to pick one of these questions to investigate. Or they could come up with their own question to base their project on.

Alternatively, they could research a scientist and produce a display about their life and work. The scientist does not have to be famous and could be someone that your child knows.

Entries need to be ready for display at the Science Fair on Tuesday 14th March 2023, the event will be held after school. The winner will be announced in a special assembly and will receive a trophy. The lucky winner and runners up will then be invited to the Xavier Science Fair Grand Final at The Royal Holloway University on Monday 27th March 2023! We will be holding some lunchtime support sessions if children require any. We look forward to seeing their fantastic entries.

## KING CHARLES CORONATION Bunting Competition

To celebrate the Coronation, the Arts Society Cranleigh Young Arts team would like you to design your own bunting with an original, imaginative, colourful and creative design representing King Charles and his monarchy.

Your pennants can be almost any shape - you don't need to stick to the traditional triangle. Try rectangles, letters or go freestyle and cut creative shapes out of paper and then decorate them.

Entries to be submitted on A4 paper with your name and your age.

There are three age categories 4 to 5 years, 6 to 8 years and 9 to 11 years.

Fun prizes for winners of each age category and one overall winner will be chosen from all the pupils that enter.

Closing date date:

**21st April 2023**

*Have fun creating!*

Winners will be notified by 28th April 2023.

By entering this competition, the winners will be agreeing to have their designs displayed at the Seven Schools Art Exhibition and shown on the Arts Society Cranleigh website and social media channels.

Competition open to all Cranleigh State Primary Schools.

## THE FRIENDS—INFORMATION

### Sponsored cycle/walk/run

The Friends and Y6 class reps invite all pupils to cycle, run or walk 1, 5, 10 or more miles for St.Cuthbert Mayne during the month of February. Our aim is to combine all participants' miles to make it (virtually!) to Paris - 226 miles!

Our fantastic sports captains, head and deputy head girls and boys will lead us on our challenge - starting the event on stationary bikes at the school gates at 8:30am on Monday, February 6th, and leading us to the finish line at 3:15pm on Friday, March 3rd.

Your child sets a goal, and decides when they can complete the challenge. Maybe your child is in Reception and you'll do a lap of Snoxhall playing fields, or maybe your child is in Y6 and ready to cycle 10 miles with you on the Downs Link during half term. It's up to you and your child/children. Parent/carer participation is also most welcome.

### To participate:

Please collect a sponsorship form from the school gates during the week of February 6th, print one from this newsletter or download one from Class list from Monday 6/2, and start collecting sponsorship money.

- Supervise your child to safely complete the challenge, tracking their miles, using appropriate safety equipment and exercising only where it's safe to do so.
- Return the sponsorship form (including details of the miles completed!) and funds to the Friends at the school gates at drop-off on Friday, March 3rd. Details for bank transfers to follow at end of month. All participants will receive a certificate of completion. At a celebration assembly in March, there will be prizes for the class with the greatest number of participants.

Please note that participation is optional. All donations, small and large, are very gratefully received.

We hope you enjoy the challenge and want to thank you once again for your generous support.

### Ink cartridge school gate collection: week of 20/2

### £146 raised from the Uniform Sale

Thank you again to everyone who so kindly donated and bought uniform. We will hold another uniform sale in the summer term.

#### **POSITIVE AND RESPECTFUL PARKING**

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>

**M**

## MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk)

**A**

## ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

**R**

## RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

**T**

## TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or [www.childline.org.uk](http://www.childline.org.uk)

## BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

## ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, **please ensure that you have contacted us before 9am on each day of absence** in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

## PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

We will endeavour to keep the school open on the other strike days if possible, we will monitor the situation and communicate as necessary if there are any changes that will affect you.

Primarily focused on student attendance, you will be working term-time, Monday to Friday, from 08.00am to 4.00pm. For further details, please go to <https://www.eteach.com/job/attendance-administrator-1306473>

We have a number of other roles available within the school, please click here for further information: <https://www.st-petersschool.co.uk/page/?titl>

### SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

**Reception:** please drop your children with the teacher at the gate to the EYFS playground.

**Year 1:** either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

**Year 2 and above:** please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

Reception St David's Class	Ava Rose for being a kind and happy member of our class.	Jonasz for joining in well with our instrument session.
