

With the clocks going back last weekend, I think we were all grateful for the extra hour that we were afforded when the alarm clocks burst into action again on Monday. After a much-deserved week's rest the children were ready to embrace their learning and pick up where they left off before the break.

It was a joy to see parents and carers returning to school for face to face meetings with teachers this week. The online version has served us well over the last three years (yes - it's been that long!), but it makes such a difference to be able to meet in person and discuss your child's progress. Thank you for taking the time out of your busy schedules to come in and meet with us.

As a Catholic school we aim to develop strong links between parish, home and school. This week we joined the parish for Mass to celebrate the feast of All Saints. Fr Alistair spoke about how we are all saints in the making. The saints are another source of inspiration for us as Christians in the same way that our Year 6 children act as role models for the younger children.

This week has been filled with a variety of rich learning experiences for the children: Year 3 enjoyed a visit from Haslemere Museum; Year 1 went to Cranleigh Prep School to watch a production of *Mish Mash*; Year 6 joined their contemporaries from Duke of Kent for a history trip to see the impact of WW2 locally. We are particularly grateful to Cranleigh Prep and Duke of Kent for providing transport for the children for their respective trips.

We are continuing to see the fruits of the children's learning from the Read Write Inc phonics scheme. In my visits to classrooms this week it was wonderful to see high levels of engagement and determination as children get to grips with the English language and all its nuances. Please continue to read their book bag books with them - even when the children think they're too easy, that just means that they are developing confidence in their mastery of the sounds that they are learning.

God bless
Thomas Hall

COLLECTIVE WORSHIP

There is almost too much to choose from this week in terms of sources of inspiration from the readings. In last Sunday's Gospel Jesus welcomed the sinner Zacchaeus. We also have the litany of Saints from whom we can draw inspiration. While the Gospel reading on All Saints' Day was Jesus' Sermon on the Mount in which he reveals how His kingdom works.

God of life, we give thanks for all the holy men and women who have lived throughout the world. Help us to live as you would like us to by showing love to all, bringing peace and always trying to do what is right. Amen.

Congratulations to one of Year 3 pupils and her family who celebrated her baptism during Sunday Mass in the parish this week.

MATHS AT HOME

1-minute Maths

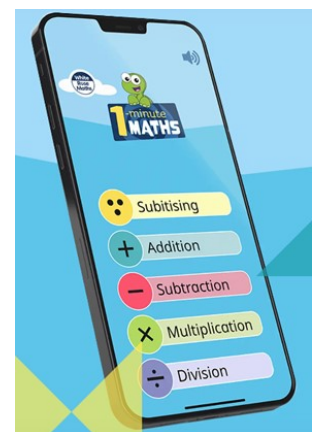

This is a great, free app that helps your children to build greater number confidence and fluency. It's all about targeted practice in engaging, one-minute chunks! It includes times tables practice and number bonds. Suitable for all year groups.

<https://whiterosemaths.com/1-minute-maths>

Home learning videos

Following parents' evening this week, it might be helpful for your child to revisit any concepts/areas that they need extra practice in. White Rose has a series of videos to support this, which many children are familiar with from their home learning during lockdown.

<https://whiterosemaths.com/homelearning>

When selecting your child's year group, choose the 'new scheme' option that will match what your child has been learning in their class.

TIMES TABLE ROCKSTARS

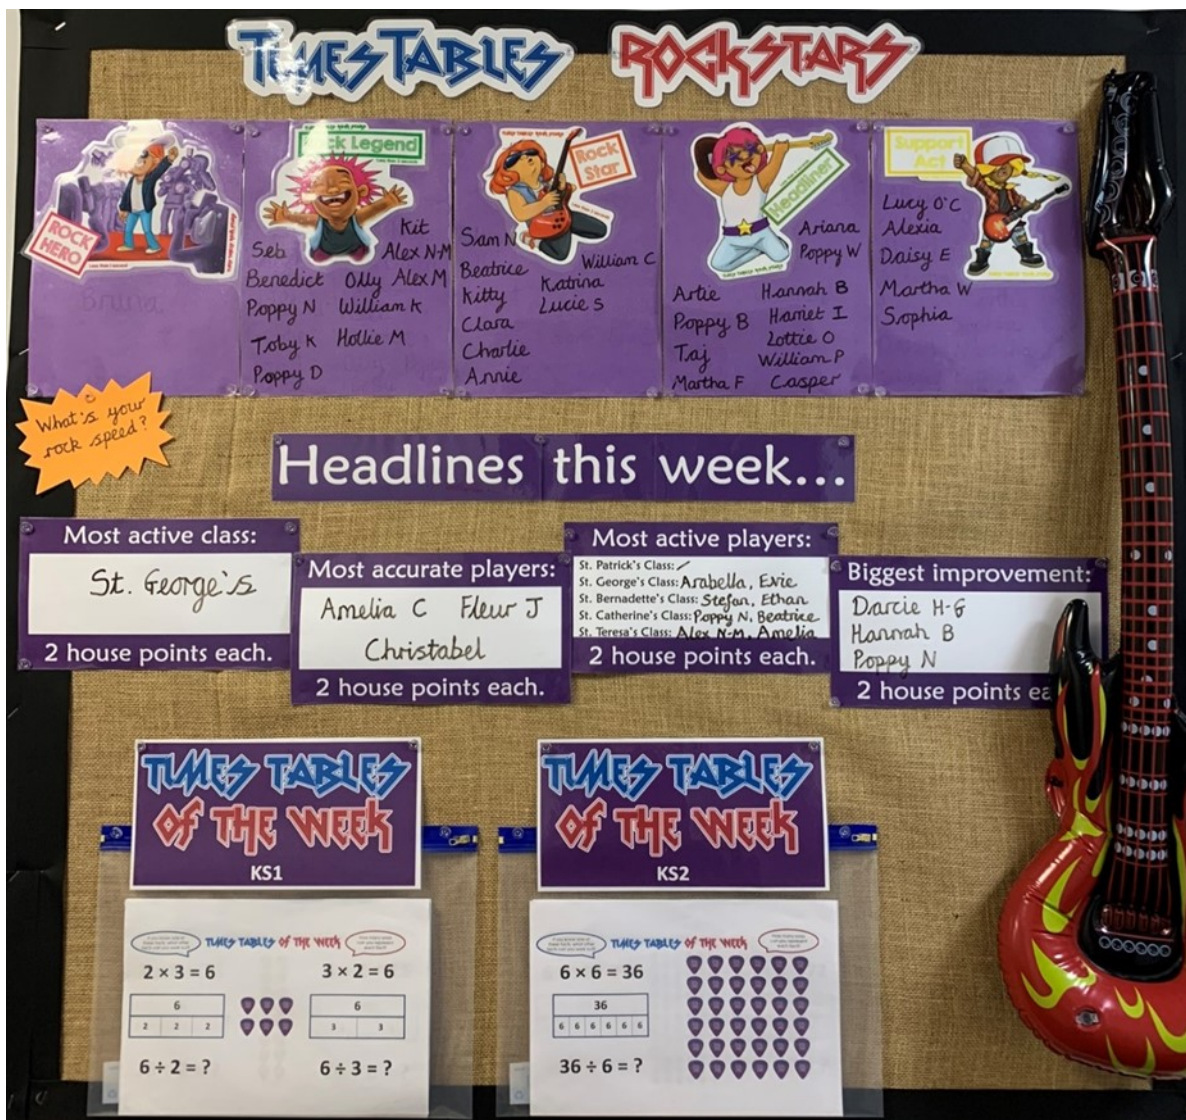

Times Tables Rockstars update

Some children have been accessing out-of-date versions of the website or app, which means they might be missing key features.

To fix this please visit <https://play.ttrockstars.com/reset> to load the latest version in your device's browser. This is really quick and easy to do.

If using the app, please update the Times Tables Rock Stars app from the app store.

Let's celebrate all the times tables practice St. Cuthbert Mayne children have done so far this term.

Can you make it onto next week's leader board?

Keep practising! <https://ttrockstars.com/>

CAKE RAFFLE

Thank you to Reuben's family (Year1) for making the splendid fireworks cake for this weeks raffle, which was won by Darcy Y2.

ST CUTHBERT MAYNE ARE MATHEMATICIANS

BARVEMBER 2022

Every day in November, White Rose is publishing maths problems that can be represented and solved using bar models.

<https://whiterosemaths.com/resources/barvember>

This is one of the representations we use in our maths teaching and learning to help children make sense of multistep problems, to 'see' mathematical relationships, and to understand which calculations they need to use to find the solution.

Can you have a go at these problems at home?

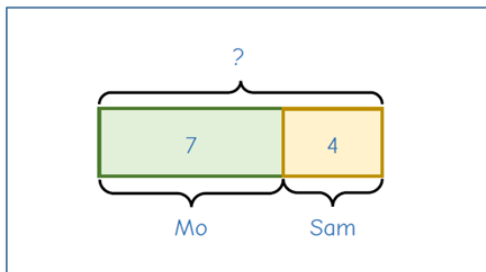

KS1/Lower KS2

1 Mo has 7 coins.

Sam has 4 coins.

How many coins do they have in total?

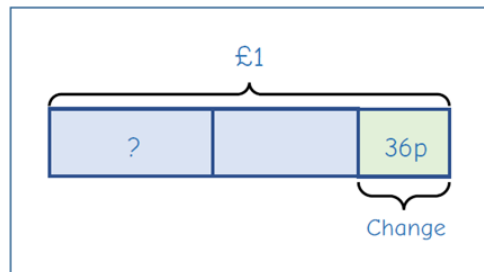

2 Lucy buys 2 rulers.

She pays with a £1 coin.

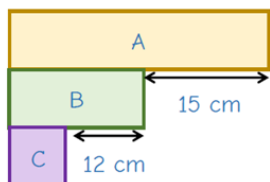

She gets 36p change.

How much does one ruler cost?

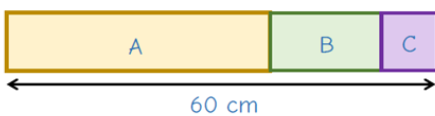

KS2

3 Here are 3 strips of paper:

Here are the same strips in a line.

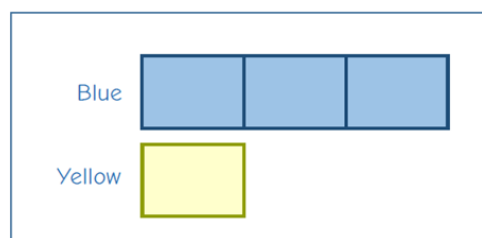

Find the length of strip A.

4 There are 3 times as many blue counters as yellow counters in a box.

45 blue counters are removed from the box.

There are now 63 more blue counters than yellow counters in the box.

How many blue counters were in the box at the start?

ST CUTHBERT MAYNE ARE MATHEMATICIANS

Upper KS2 (and adults!)

You need to draw your own bar models for this one!

5

A shop is having a sale.

- On Monday, a coat is reduced by 10%
- On Wednesday, the coat is reduced by a further 50%
- On Friday, the coat is reduced by a further two-thirds.
- On Monday, the coat costs £135 more than it does on Friday.

How much did the coat cost before it was reduced in the sale?

Answers will be in next week's newsletter. If you can't wait until then or would like to solve some more BARVEMBER challenges, visit <https://whiterosemaths.com/resources/barvember>

RECEPTION ST DAVID'S CLASS ARE BAKERS

This week St David's class baked bread rolls as part of our scientific learning. Before we began cooking, we discussed the ingredients, looked at the recipe and made some predictions about what might happen. We practised lots of skills - measuring, pouring, mixing and kneading. After the dough had risen, the children were fascinated to explore how it had changed. They also had to make sure everyone had an equal portion of the dough to form into their rolls, which encouraged lots of mathematical reasoning. During the baking process the children remarked how the school was filled with the smell of fresh-

ly

baked bread and they were thrilled to sample the finished product!

OUR LIBRARIANS

These are our St Cuthbert Mayne Librarians who are enthusiastically organising and arranging our library. They are keen to help children with book choices and are busy discussing ways to share their enjoyment of reading.

In this photograph, they are displaying new books which have recently been acquired for the library. They would like those, who read these books, to tell them what they thought about them and to share their thoughts by posting a message on the library board behind.

Our librarians know the importance and fun of reading – so their message to you is keep reading!

YEAR 3 WE ARE HISTORIANS

This week, Year 3 were visited by the Haslemere Museum so they could enhance their Science knowledge and understanding. They learnt about the different types of rocks and how fossils are formed. They had a lot of hands-on fun looking at the museum's extensive geology collection. They were amazed at the age of the rocks and fossils that they were able to handle!

They also enjoyed making their own fossils which they were very keen to take home and share!

Celebrating Achievements

Each week we celebrate the achievements of all our children during our weekly celebration assembly. Please remember to bring in any out of school achievements to celebrate in our assembly on Friday. Well done to the following children who have been their best selves this week and kept our school

Reception St David's Class	All of St. David's class for a fantastic welcome liturgy in the church.	
Year One St Andrew's Class	Emily for showing the value of kindness and love by playing with different children in the class each week. She always makes sure no one is on their own on the playground.	Iggy for challenging himself in his writing this week and extending his sentence. Isabella for always putting 110% into her learning and being a role model for the class.
Year Two St Patrick's Class	Aaron - for great contributions to our desert island discussion in science.	Lexi - for her confidence and happiness when she shared information about her famous guinea pig to the whole class!
Year Three St George's Class	Theo for achievement in writing and the use of beautiful language.	Lexi for perseverance and achievement in Maths.
Year Four St Bernadette's Class	Max for improving his focus to achieve in all his learning. Keep up the good work!	Frankie for showing happiness in all of her learning. I have been impressed by your participation in class discussions this week especially Maths.
Year Five St Catherine's Class	Beau, for working hard with his handwriting.	Maisie, for always being supportive to everyone in the class.
Year Six St Teresa's Class	Charlie for great science thinking and explanations about light.	Lucie S for improving your contributions to class discussions and for always having a positive attitude and doing your best in your learning.

BUDDY SAYS HI!

Childline

0800 1111

Remember to tell Miss Wilkin / Mrs Chalstrey / Mrs Harper if you are concerned about a child at St Cuthbert Mayne.

Helping children to stay safe online: Parents may wish to access any of the following websites for online safety information to support their children with safe internet use:

Think U know: www.thinkuknow.co.uk Thinkuknow is the education programme from The National Crimes Agency's Child Exploitation and online Protection Centre (CEOP). The website is suitable for children aged 5-16 and has a section for parents/carers.

NSPCC: www.net-aware.org.uk and www.nspcc.org.uk/onlinesafety Resources produced by the NSPCC for parents, including Net Aware, a tool which reviews the most popular apps. They also provide advice on 'sexting', online gaming and parental controls. The NSPCC helpline number is 0808 8005002

ChildLine: www.childline.org.uk The ChildLine website provides information and advice on a wide range of issues including online and offline safety. Advice includes using social media, cyberbullying, online grooming, taking care of your digital footprint and mobile phone safety. The ChildLine helpline is 0800 1111

Zipit App: <https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/sexting/zipit-app/> Zipit is an app designed in conjunction with Childline to help young people decline requests for nudes and inappropriate content.

<https://www.childline.org.uk/info-advice/bullying-abuse-safety/online-mobile-safety/sexting/report-nude-image-online/> Another app supported by Childline to assist young people in removing nudes from the internet.

UK Safer Internet Centre: www.saferinternet.org.uk UK Safer Internet Centre provides online safety tips, advice and resources to help children and young people stay safe online. Advice also includes setting up parental controls and what to consider before buying mobile devices.

Childnet: www.childnet.com Childnet has resources, including videos and storybooks, to help you discuss online safety with your children. It includes advice on setting up parental controls, cyberbullying and setting up a family agreement for safer internet use. It has a parent and carer toolkit. Childnet have produced smart rules for online safety, using Widget symbols; these can be displayed near computers as a visual reminder. They have also produced the STAR SEN Toolkit to explore online safety with young people who have special educational needs.

Internet Matters: www.internetmatters.org Internet Matters provides advice by age group. Advice includes setting up appropriate controls and filters on a range of devices, cyberbullying, online grooming and self-harm.

Parent Info: Parent Info provides information to parents and carers about a wide range of topics including games, apps and tech, health and wellbeing.

BBC "Own It" Website and App: www.bbc.com/ownit and www.bbc.com/ownit/take-control/own-it-app

The BBC Own It Website provide advice for parents and carers and aims to help children aged 8-13 "be the boss" of their online lives. The website has videos and activities to explore with children and includes an app which can be downloaded (for children aged 8+) on children's devices to help them use technology safely and responsibly. www.childnet.com/resources/step

Dates for the diary Autumn 2022

November 2022

- 7th Tempest school photos (ALL CHILDREN TO WEAR SCHOOL UNIFORM)
- 7th Y5 & Y6 Basketball at Glebelands (teams to be selected)
- 8th Y5 Science Workshop
- 14th Odd Sock Day
- 14th-18th Friendship and Positive Relationships (anti-bullying) week
- 15th Reception Wintershall Advent Workshop
- 16th Ten Weeks in meeting for current Reception St David's Class parents and carers
- 17th Nurse visiting Year 6 - Measurements
- 28th School Closed
- 29th Benchball at Broadwater School (teams to be selected)

December 2022

- 14th EYFS & Key Stage One Nativity for parents 2pm
- 15th EYFS & Key Stage One Nativity for parents 2pm
- 20th Key Stage Two Nativity for parents 2pm & 6pm

SCOOTERS & BIKES

It is wonderful to see children making the daily journey to and from school on bikes and scooters.

Please could parents and carers ensure that children **do not ride scooters or bikes in the school playground**. Thank you for your help with this.
