

The Royal Grammar School, Guildford boasts an extra 446 more years of history than St Cuthbert Mayne Catholic Primary School. I was delighted to be able to join Year 5 St Catherine's class on Monday as we were hosted by our colleagues at RGS; they laid on a fantastic day (further details in this newsletter), the highlight of which was a visit to The Chained Library (pictured - now the Headmaster's office) where we were shown an early edition of Sir Isaac Newton's *Principia*. The children were slightly taken aback by the fact that boys attending the school had to bring two candles at the start of each term and of course the austere consequences for putting a foot wrong or even daring to speak in English rather than Latin. Thank you to Mr Shimell and Dr Cox for their hospitality on the day and to Mrs Maughan for volunteering to join us on the trip.

Meanwhile, back at the ranch term has resumed without a hitch. We welcome Miss Farnsworth, who is familiar to the Year 1 children - I am pleased to report that she has now officially joined the school as an LSA.

The talk of strikes and industrial action has obviously filtered through to the children - I was surprised to be accosted by a group of Year 5 children on Tuesday who handed me a petition asking us to 'Bring back school fleeces!'. With new uniform providers on the horizon, we hope to be able to give the people what they want.

It was very interesting to meet with our local councillor Liz Townsend and the parking control officer this week. St Nicolas Avenue and Parsonage Road are home to three schools and become very busy at the start and end of the school day. Please continue to adhere to the guidance in each week's newsletter by parking legally and considerately - avoid the double yellow lines and the yellow zig-zags outside the entrances to our school. This ensures both the safety of all pedestrians and cordial relations with our neighbours!

The next Parent Forum will be on Friday, 3 March at 9am. Please send any questions to the school office in by the end of Wednesday, 1 March.

On Sunday, 5 March Mrs Harper and I will be inducted as Executive Head and Head of School respectively during the 11am Mass celebrated by Bishop Richard at Jesus Christ Redeemer of Mankind. This is a great opportunity to celebrate the links between the school and the parish - all welcome!

God bless  
Thomas Hall  
Head of School

### COLLECTIVE WORSHIP

Sometimes we have to decipher mixed messages in the Gospel- this week Jesus tells us not to take an eye for an eye but to turn the other cheek. We are also encouraged to love our enemies and to pray for those who make life difficult for us. How apt that we are encouraged to do these very difficult things as we head into the season of Lent; a time to turn back towards God.

*Generous God, you share all that you have made with us. Help us to love each other and to share all that you have given us.  
Amen.*

### WORLD BOOK DAY

As you know World Book Day is fast approaching. This term, we will be celebrating this annual event on **Friday 10<sup>th</sup> March** to ensure that we are able to avoid any possible strike action. As usual, we would love the children to come dressed as their favourite book character or to come in their bedtime clothes as if ready for a bedtime story! During the week beginning 6<sup>th</sup> March, we would also encourage your child to bring in and share their favourite book, which they will also be able to read as we will be enjoying times to 'Drop Everything and Read'!

### RWI BOOK AMNESTY

As a school, we have heavily invested in the Book Bag Books which relate to the Read, Write, Inc phonics scheme that we teach. It is important that every child in a group can read the same book at home so that we can ask the children comprehension questions about what they have read. Unfortunately, a high number of books have not been returned or been returned to us damaged. We understand that accidents do happen, and sometimes books are lost, but we need to replace each damaged or lost book.

Please could you look for any Book Bag Books at home over half term and return them. The Book Bag Books are changed every Friday. Going forward, if a book has not been returned by the following Tuesday, a charge of £6.00 will be added to your SCOPAY account to cover the time, cost and postage of ordering a replacement book.

## THE ROYAL GRAMMAR SCHOOL

During the Spring Term we had been studying the Tudors and on the first day after half-term, we went to the Grammar School in Guildford as a lot of the buildings were built during Tudor Times. We were taught four lessons by different teachers, all about the Tudors. We studied music and named lots of different instruments. In history we learnt about coats of arms and what the symbols mean. In art we were taught how to use a special grid to create a special effect on the image. Also in the IT lesson we started to create a power point about our day there. We also learnt a Tudor dance together. We visited the Head Masters office and saw a book written by Sir Isaac Newton, it was amazing. The teachers were amazing and we are definitely going to use this learning in our school work.

## CHILDREN'S MENTAL HEALTH WEEK

The theme of Children's Mental Health Week was 'Let's Connect'. Human beings thrive in communities, and this connection is vital for our wellbeing. When we have healthy connections – to family, friends and others – this can support our mental health and our sense of wellbeing. When our need for rewarding social connections is not met, we can sometimes feel isolated and lonely – which can have a negative impact on our mental health. As parents and carers, you play an important role in your child's mental health. Before Half Term, each class looked at activities linked to Children's Mental Health Week. In these pictures, you can see Year 3 playing a Bingo game, which enabled them to find out more about each other and make connections. In Key Stage 1, the children read the book 'The Invisible String' by Patrice Karst, which reminded them how they are connected to family, friends, pets, people who have died or they no longer have much contact with. The children in Year 2, drew a picture of themselves and linked their picture, using a piece of string, to people who are important to them. Year 6 researched ways to keep themselves mentally healthy and created these helpful posters.

## SCIENCE FAIR

This term, St. Cuthbert Mayne will be holding a Science Fair. We would love your child to take part. To enter your child must carry out a scientific investigation and produce a presentation based on what they've done. They must include; their scientific question (e.g. which material conducts electricity the best?) a write up of what they did, plus graphs and tables to support their findings. The layout should be as below (or similar):

The children can also produce handouts or extras to go with their entry if they wish. If your child would like to enter but is not sure what to do please see some suggested questions that they could investigate below:

### Animals including humans

How does the length of time we exercise for affect our heart rate?  
How does age affect a human's reaction time?

### Plants

How does a seed change as it germinates?  
Do some seeds grow more quickly than others?

### Forces

How does the size of a parachute affect the time it takes to fall to the ground?  
How do rockets work?

### Earth and Space

What would humans have to do to be able to survive on Mars?  
How does being in space for a long time effect the human body?

### Materials

Which material will make the best black-out blinds/curtains?  
Which are the best kitchen towels for mopping up spills?

### Light

How do shadows change over a day?  
Your child could decide to pick one of these questions to investigate. Or they could come up with their own question to base their project on.

Alternatively, they could research a scientist and produce a display about their life and work. The scientist does not have to be famous and could be someone that your child knows.

Entries need to be ready for display at the Science Fair on Tuesday 14th March 2023, the event will be held after school. The winner will be announced in a special assembly and will receive a trophy. The lucky winner and runners up will then be invited to the Xavier Science Fair Grand Final at The Royal Holloway University on Monday 27th March 2023! We will be holding some lunchtime support sessions if children require any. We look forward to seeing their fantastic entries.

## THE FRIENDS—INFORMATION

### **Sponsored cycle/walk/run**

The Friends and Y6 class reps invite all pupils to cycle, run or walk 1, 5, 10 or more miles for St.Cuthbert Mayne during the month of February. Our aim is to combine all participants' miles to make it (virtually!) to Paris - 226 miles!

Our fantastic sports captains, head and deputy head girls and boys will lead us on our challenge - starting the event on stationary bikes at the school gates at 8:30am on Monday, February 6th, and leading us to the finish line at 3:15pm on Friday, March 3rd.

Your child sets a goal, and decides when they can complete the challenge. Maybe your child is in Reception and you'll do a lap of Snoxhall playing fields, or maybe your child is in Y6 and ready to cycle 10 miles with you on the Downs Link during half term. It's up to you and your child/children. Parent/carer participation is also most welcome.

### **To participate:**

Please collect a sponsorship form from the school gates during the week of February 6th, print one from this newsletter or download one from Class list from Monday 6/2, and start collecting sponsorship money.

- Supervise your child to safely complete the challenge, tracking their miles, using appropriate safety equipment and exercising only where it's safe to do so.
- Return the sponsorship form (including details of the miles completed!) and funds to the Friends at the school gates at drop-off on Friday, March 3rd. Details for bank transfers to follow at end of month.

All participants will receive a certificate of completion. At a celebration assembly in March, there will be prizes for the class with the greatest number of participants.

### **Sponsored Challenge**

One week to go! If your child or children have not yet completed their challenge, there is still time. Complete the challenge this week and return your sponsorship form(s) and funds to the Friends at the school gates at drop-off on Friday, 3/3. Alternatively, you can return your form on 3/3 and simply transfer the funds raised to this account with the reference "Sponsorship\_Child'sYear Group" or "PupilsName\_Child'sYearGroup":

## SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

**Reception:** please drop your children with the teacher at the gate to the EYFS playground.

**Year 1:** either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

**Year 2 and above:** please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

## POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

## PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.
