

The national events taking place this week gave us a good opportunity to discuss one of our Fundamental British Values of Democracy. Of course our new monarch is not elected, but local elections dominated the news at the end of this week and allowed us to discuss with the children how we have are able to choose the people who manage our local infrastructure.

Today we saw lots of inventive ways in which the children decked themselves out in red, white and blue. A special Coronation Assembly this morning saw a mock Coronation take place - one of the children was crowned and presented with sceptres and an orb. If you do choose to watch the proceedings on Saturday, then your children should be able to talk you through the entire ceremony! Huge thanks to the Friends who organised a magnificent tea party in the playground complete with cakes and flags for the children to mark this historic occasion - we really have had such a joyful day here at St Cuthbert Mayne.

On Sunday the Duke and Duchess of Edinburgh will be in Cranleigh High Street to celebrate The Coronation of His Majesty The King - children from the school are welcome to attend. We will bring the school banner! There will be live music, children's entertainment and stalls.

This week we were visited by two Wintershall actors who both delivered monologues in a whole school assembly. We heard from Nicodemus who described Jesus overturning the tables in the Temple and Judas who described the inner turmoil he experienced in his betrayal of Jesus. On Thursday we welcomed Open the Book who resume their weekly Bible storytelling. The use of Drama helps our children to develop a richer understanding of the stories that they hear each week.

Thank you to the large team of volunteers who joined us for the Year 1 trip to Marwell Zoo on Tuesday. Running a school trip can be a source of stress for teachers - perhaps more so when there are lions and tigers thrown into the mix! Thank you to Miss Wilkin for organising such a successful day out - pictures to follow next week.

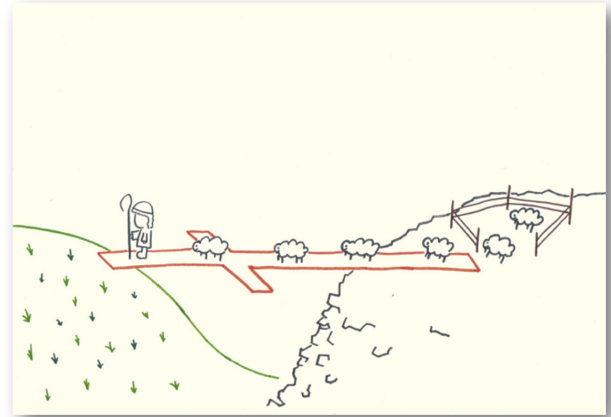

Looking ahead to next academic year, our term dates have been updated to include all our INSET days - these can be viewed [here](#). It is particularly important that Year 6 children have a chance to rest well so that they come to school ready for SATS week. They have worked so hard in preparation for this week, so a quiet weekend will enable them to give of their best next week. I hope you all enjoy the long weekend.

God bless,
Thomas Hall
Head of School

COLLECTIVE WORSHIP

Jesus frequently reaches out to the outcasts in society - at the time shepherds did not enjoy a good reputation as they spent much time away from their communities and were unable to defend the honour of their families. Jesus models himself as the shepherd and the gate for us his sheep, through which we can come to find fresh pasture and have life.

Coronation Prayer

*Almighty God, we pray,
that your servant Charles, our King,
who, by your providence has received the governance of this realm, may continue to grow in every
virtue,
that, imbued with your heavenly grace,
he may be preserved from all that is harmful and evil and,
being blessed with your favour may,
with his consort and the royal family,
come at last into your presence,
through Christ who is the way, the truth and the life
and who lives and reigns with you
in the unity of the Holy Spirit,
God, for ever and ever.
Amen*

The children who entered are: Sophia Year 4, Olaf Reception, George Reception, Elliot Reception, George Year 2, Phoebe Year 2, Posy Reception, Aaron Year 2, Albie Year 3 and Finlay Year 2.

This popular event highlights the creativity and skills of local young artists, aged five to eighteen, in an impressive collection of paintings, drawings and 3D artwork. This exhibition gives them the opportunity to showcase their work to the local and wider community.

PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

If your child is in EYFS (Reception Class) please click here:

ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, please ensure that you have contacted us before 9am on each day of absence in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

LATENESS

Lateness into school causes disruption to that individual's learning and to that of the other children in the class. It is paramount, therefore, that all pupils arrive at school on time.

When a pupil is late for school they should enter the building via the front office so that they can be recorded as being present.

Registers open at 9am and are taken promptly. Children will be recorded as being late if they arrive after 9am but before 9.15am when the registers close.

Any child arriving after 9.15 am, without a valid explanation, will be recorded as late after close of register (U code) and this denotes an unauthorised absence.

Persistent lateness will be monitored and letters sent to parent to inform them of learning time lost. If lateness remains a problem and this lateness is after close of register a referral will be made to the Inclusion Officer.

SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

Reception: please drop your children with the teacher at the gate to the EYFS playground.

Year 1: either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

Year 2 and above: please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>
