

I've often felt that 'Spring' is something of a misnomer for this term. It's only right at the end of the term we start to see the daffodils starting to bloom with a little more confidence as we enjoy the extra hour of daylight that is afforded at the end of the day. Although this is the shortest of the three terms, we continue to make the most of every minute we have with your children as they continue to learn and grow as members of this wonderful school community. I am particularly grateful to the staff for their continued commitment this term; having returned well-rested after the Christmas break we were immediately subjected to the scrutiny of an OFSTED inspection. Not only that we have also survived a minor flood and a number of teacher strike days. Despite all this, the show must go on!

This week I made the journey to Royal Holloway University to join our Science Fair Grand Finalists. The children were blown away by the stunning Founder's building. They then heard from the keynote speaker who told them all about the Large Hadron Collider. While the finer details of the Higgs boson particle will have left most adult members of the audience floundering, the experience of being in a lecture theatre was a real eye opener for children who'd barely given secondary school a thought let alone what might happen after that. Our children were proud to display their projects and enjoyed the chance to look at the work of their peers from the other 12 Xavier primary schools. There were also other exhibitors who volunteered their time for free and ran activities for the children. Thank you to Mrs Maughan and Ms Hunter for assisting Ms Robson on the trip and to Mr Stone of Cranleigh Prep School for driving our children to the event.

It was lovely to see so many of you at the Parents' Consultation meetings this week. The Year 1 consultations have been rescheduled to Thursday, 20 April. We will use the same booking times that were in place for this week's consultations; please contact the office if you are unable to make your original time on this new date.

As we journey through Lent the promise of Easter beckons and with it great hope. In the last couple of weeks we have prepared for Easter by experiencing the Stations of the Cross, a whole school Mass at the end of term and a whistle stop tour of what to expect from Palm Sunday and Holy Week in this week's collective Worship. Some children also took the opportunity to reflect as they made reconciliation this week. Thank you to Father Alistair for facilitating all of the above and ensuring that the Easter message is well and truly delivered to the children of St Cuthbert Mayne.

I do hope you all have a peaceful Easter holiday, and we look forward to seeing you at the start of the Summer Term.

God bless,  
Thomas Hall  
Head of School

## COLLECTIVE WORSHIP

In this week's Gospel Lazarus appears from the tomb. Jesus says, "I am the resurrection and the life. Those who believe in me will live, even though they die; and all those who live and believe in me will never die. Do you believe this?"

*God of light and power, we give thanks to you for the gift of life. Help us to do what we can so all people throughout the world can enjoy this gift. Amen.*

## HELP FOR PARENTS

Bringing up children is a lot of fun but can also have its challenges. There are times when receiving some advice can be helpful. If you are a Surrey resident, you can have free access to online parenting guides that include top tips from childcare, education and NHS health experts. Please follow the link for more information on the support and courses provided. <https://www.surreycc.gov.uk/children/support-and-advice/families/support-and-advice/parenting-courses-and-advice/online-guides>

## RWI BOOKS

As a school, we have heavily invested in the Book Bag Books which relate to the Read, Write, Inc phonics scheme that we teach. It is important that every child in a group can read the same book at home so that we can ask the children comprehension questions about what they have read. Unfortunately, a high number of books have not been returned or been returned to us damaged. We understand that accidents do happen, and sometimes books are lost, but we need to replace each damaged or lost book.

Please could you look for any Book Bag Books at home and return them. The Book Bag Books are changed every Friday. Going forward, if a book has not been returned, a charge of £6.00 will be added to your SCOPAY account to cover the time, cost and postage of ordering a replacement book.

## Royal Holloway University - Science Fair

On Monday 27th March, St Cuthbert Mayne's key stage science fair winners and runners up set off very early, to the Royal Holloway University. The children were very excited and wowed by the incredible buildings within the university's campus. Firstly, the children set up their science project displays, along with the other Xavier Trust schools. The children then enjoyed a morning of science ranging from listening to a key note speaker, looking at other school's projects and visiting various scientific stands. A big thank you to the children for behaving so brilliantly, to Mrs Maughan and Ms Hunter for their help throughout the day. The day provided a wonderful opportunity for the children. The standard of entrants was phenomenal with Joshua from St Cuthberts in Egham being crowned Xavier Trust Scientist of the Year 2023!

Dear Jesus,

Thank you for your love for us and  
for your family,

thank you for showing us the way of life

thank you for the gifts you gave us,

you loved us and sacrificed your life,

O'lord we will follow your ways for decades,  
and decades,

You never fought back and you only  
showed good.

This easter week we will follow your  
ways,

and when the sun rises on easter day we  
will remember.

Amen

### PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

If your child is in EYFS (Reception Class) please click here:

### THE FRIENDS—INFORMATION

#### **"Win cakes for your class" raffle**

Your generous support yesterday and today helped to raise £101.50 for our school. A big thank you to everyone who bought tickets, and to Jen for baking such beautiful Easter cupcakes. Congratulations to Isabella for winning Year 1 the cupcakes.

#### **Uniform donations**

Thank you to the family who donated uniform items this week. We will hold another uniform sale next term.

### STATIONS OF THE CROSS AT WINTERSHALL

Parishioner and School Governor Stephen Rockhill will be organising Stations of the Cross at Wintershall on Good Friday at 10am for families. It will be out doors and will be followed by Hot Cross Buns in the Big Barn. It will be a chance for the children to let off steam while taking in the importance of each Station. Stephen needs to know how many hot cross buns to bring so could you email him on [stephen@sprockhill.co.uk](mailto:stephen@sprockhill.co.uk) to confirm attendance and numbers. This isn't just a Bramley event - it is for all!

## SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

**Reception:** please drop your children with the teacher at the gate to the EYFS playground.

**Year 1:** either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

**Year 2 and above:** please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

## POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>
