

With an inspection recently behind us, Blue Monday was not going to affect the staff of St Cuthbert Mayne. Despite the icy conditions, we have had our foot to the floor as usual this week. On Tuesday we were joined by Sharon Girling OBE who has vast experience as a former law enforcement officer and introduced CEOP (Child Exploitation and Online Protection Centre). Sharon ran age appropriate workshops for children in Keystages 1 and 2, as well as two sessions for parents and a session for staff. Children were reminded of the SMART acronym and were quizzed on what they'd learnt as they left the school at the end of the day. Parents who I've spoken to found the sessions really informative and gave some practical tips to enable us to help our children to navigate the world of the internet safely. Parents who were unable to attend can access the slides that have been emailed to all parents and carers - these offer information about how to ensure that appropriate restrictions are in place on devices in order for children to stay safe online. I would urge us all to continue to have conversations with our children about what they are accessing on the internet and how they communicate with one another online - never write anything you wouldn't be happy to see on the front page of The Times!

Nadia - our new
school cook.

This term we are delighted to welcome Nadia, our new school cook. For a number of years our school food has been prepared offsite and delivered to the school. Our school kitchen is once again being used to prepare fresh meals for the children on a daily basis. It also means that we have more say in what the menu looks like.

Looking beyond St Cuthbert Mayne, many of our children will head to [St Peter's Catholic School](#) in Guildford at the end of Year 6. St Peter's has been awarded National Comprehensive School of the Year in The Times Parent Power Guide. The Guide identifies more than 1,600 of the highest-achieving state and private schools, ranked by their most

recent moderated examination results. St Peter's achieved a record set of results, putting it in the top 50 schools, with its GCSE progress score placing it in the top five in the country. We offer our congratulations to our colleagues at St Peter's and former pupils of St Cuthbert Mayne who have contributed to that success.

God bless
Thomas Hall
Head of School

COLLECTIVE WORSHIP

This week we welcomed Fr Roy Woodhams, Rector of St Nicolas Church in Cranleigh. He joined us for assembly this Thursday to mark the Week of Prayer for Christian Unity. Fr Roy spoke about the four churches in Cranleigh and their ministers; it is important for the children to gain an understanding about the various thriving Christian communities in the village.

*Lord Jesus, who prayed that we might all be one,
we pray to you for the unity of Christians,
according to your will,
according to your means.
May your Spirit enable us
to experience the suffering caused by division,
to see our sin
and to hope beyond all hope.
Amen.*

STRIKE ACTION

Many of you will be aware that there are teachers' strikes taking place over the next two months. Two of these days are INSET Days for St Cuthbert Mayne (1 February and 15 March). We will endeavour to keep the school open on the other strike days if possible, we will monitor the situation and communicate as necessary if there are any changes that will affect you.

SAFEGUARDING REMINDER

It will come as no surprise to hear that the children's safety is paramount. As such we cannot allow parents or carers to enter the school building without having signed in at the school office first. Please adhere to the following guidelines:

Reception: please drop your children with the teacher at the gate to the EYFS playground.

Year 1: either drop your children at the main school gate or accompany them to the start of the passageway by the bike shelter.

Year 2 and above: please drop your children at the main school gate.

Of course we understand that occasionally children might want to be accompanied a little further or might need some help putting their bike or scooter away - please try to remember to mention this to me or the member of SLT on the gate.

If you need to pass a message to your child's teacher in the morning then please mention this to me or the member of SLT on the gate or to the office staff. If you feel that you might need to have a longer conversation with the class teacher then please make an appointment by contacting the office. The end of the school day is probably an easier time to have a brief conversation with your child's teacher if necessary.

BE SMART ONLINE

S

SAFE

Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M

MEET

Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A

ACCEPTING

Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R

RELIABLE

You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T

TELL

Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline – 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART

Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.

POSITIVE AND RESPECTFUL PARKING

We continue to be very grateful to all our parents that park and stride/cycle/walk to school, and to those that park safely and respectfully around the neighbouring roads.

We are aware that some people continue to park on the yellow zig-zag lines outside the school and the church car park. Rule 243 of the Highway Code states that road users must not park near a school entrance; for the safety of all the children at St Cuthbert Mayne, we would ask that all members of our community adhere to this rule and do not park on the yellow zig-zag lines.

We must also ensure that we are polite and respectful to local residents at all times.

Please show your children, by your actions, that positive and respectful parking is a way to show that you care about other pedestrians, neighbours and road users. Be a good role model!

For helpful information about road safety please visit: <https://www.think.gov.uk/>

SCHOOL — KEEP — CLEAR

ATTENDANCE

A reminder that the school day begins at 8.50am. The register is completed by 9am - if your child is unwell and is unable to attend school, **please ensure that you have contacted us before 9am on each day of absence** in order to let us know.

If you consider that there are exceptional circumstances relating to an absence, please complete a Request for Absence Form, available from the office.

PUPIL PREMIUM (PP)

Pupil Premium is additional funding to raise the attainment of particular pupils of all abilities and to close the gaps between them and their peers.

At St. Cuthbert Mayne, we believe that the highest possible standards can only be achieved by having the highest expectations of all learners. Some pupils from particular backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential.

When your child starts at our school, we ask you to complete a form in order for us to assess eligibility, however, we are fully aware that family circumstances may have changed since then. We would therefore encourage all families to review the form again and thus enable us to identify any further children who may be eligible to PP funding. The forms themselves also contain information about eligibility criteria.

If your child is in EYFS (Reception Class) please click here:

Ukrainian Appeal

The children preparing to make their First Holy Communion were invited to physically contribute to this appeal but it was suggested that the whole parish might like to be involved. We are very aware that we all have many demands on our income at the moment so please remember that prayers are also very important and make a vital contribution if that is how you choose to support this request.

The Diocese has a wonderful Ukrainian priest serving the parish of Walton on Thames and he has been transporting goods to Ukraine since the beginning of the war. They have been supporting an orphanage in the Western part of the country which has taken children from the fighting in the East. Aside from the displacement and loss they have suffered, the winter is coming and without electricity they are struggling with the cold. We can help by providing **NEW** hats/gloves/scarves/ thick socks for any age child up to 20. We encouraged the FHC children to think of a present they might like someone to buy for them this Christmas and to consider if they could instead buy that for a Ukrainian child. Please leave everything unwrapped as it may need to be examined.

office@cpcb.org.uk

A further way to support is by helping to finance the trip. Each time Fr Ruslan sends out the lorry it costs £2500. Those that may want to contribute towards this could send a donation to Parish Account: Sort code 40 05 20 Account No 01126393, payable to **RCD A&B St Erconwalds Walton on Thames** but reference it clearly **C&B UKRAINIAN DONATION**.
